

5th Rally Catalunya Històric to be staged on 9 and 10 April 2021

The fifth edition of the Rally Catalunya Històric, the regularity race for classic cars organised by the RACC, will be staged on 9 and 10 April 2021. For the first time, the event will be a scoring round towards the Catalan Historic Rally Championship.

The Club delayed the staging of the fifth edition of the rally for a few weeks, in view of the expected improvement of the health situation caused by the Covid-19 pandemic.

Although the itinerary is not yet completely defined, the route will cover 150 km of controlled regularity on closed roads. The event will be open to participants with vehicles built between 1947 and 1995, which will enter one of the three announced modalities: Regularity Sport, Regularity Super Sport and the new category LegendCAT.

More details about the race will be announced soon. You may check out updated news about the Rally Catalunya Històric on the official website of the event: www.rallycatalunyahistoric.com.

The winners of the last four editions of the Rally Catalunya Històric were: Ruben Maes–Michel Périn (Porsche 914/6) from Belgium in 2020; Salvador Cañellas–Carles Jiménez (Seat 124 Especial 1800) in 2019; Josep Viaplana–Carles Jiménez (Seat Ibiza 1.5 GLX) in 2018 and the winners of the first edition of the rally held in 2017, were Carles Miró–Ivan Matavacas (Porsche 911 SC).
